Kiwanis Members Hear Donovan Talk On Social Medicine

Socialized medicine and health insurance were the topics touched upon by guest speaker Joseph Donovan at the meeting of the Kiwanis club Tuesday in the library clubroom. Presiding was President Lowell Benson.

Chairman for the day was Dr. W. D. Morgan. Members were told that next week will be "Ladies Night." Reservations will be received through Saturday morning by Ethan Lanphear at 3655. The ladies will be in full charge of the meeting.

The speaker brought out the facts that our present Voluntary Health Insurance is working very satisfactorily. It would be impossible to control compulsory health insurance, he said, adding the politics and medicine do not mix. "How do you keep a compulsory system honest or correct?" he questioned. "The fee system never works and we can learn from the plan in England that it is a failure."

"We were thrilled to see Velvet come through again," said Mrs. Ammon, owner of the champion. "However, since she is a champion and can't win any more points I think we'll retire her as she really deserves a rest."

The dog show was held for the first time at the Santa Clara county fairgrounds and a crowd of thousands jammed their way into the area to witness the judging, said Mrs. Ammon. "It was wonderful to have such a turnout," she said.

Grand opening of the new modern ice cream and soda fountain at Clark's Drug store will be held tomorrow from 9 a.m. to 8 p.m., announced Bill Means, manager. The new fountain seats 14 people.

News from ORCHARD CITY GRANGE

By ROBERT WURFER, Sr.

Orchard City Grange 333, Campbell, had a very highly attended potluck dinner Wednesday night in honor of Past Master's night. The refreshment committee, headed by Mrs. Katherine Shadle and her co-workers Mrs. Clara B. Baldwin, Mrs. Muriel Smith, and Herbert A. Butts, arranged elaborately decorated tables. The 11 Past Masters who were present and the only two living charter members were seated at a special table. The beautiful repast was very much enjoyed. The refreshments committee received warm thanks for their efforts.

Worthy Master Martin Walsh opened the regular meeting right at 8 p.m. and then turned it over to our worthy lecturer Wesley Youngclaus. He seated the 11 Past Masters present and the two charter members at the right of the master's station. He then introduced Will Johnson and his San Jose Garden City Four. They dedicated their songs to the aPst Masters and charter members and received much hearty applause until they sang eight songs. Mrs. Clara B. Baldwin then read an original poem written for a dedication to the honored past masters and charter members.

John C. Gordon, one of the Past Masters, showed moving pictures of all the Past Masters taken by him at their homes and farms doing whatever task he happened to find them occupied with. Some of their names, which follow, have a cross behind them which means they have gone to the Great Grange beyond. The first picture showed the late Past State Master T. E. Petit (*), followed by Orchard City Grange Past Masters for 46 years Frank Mitchell (*), J. E. Wiesendanger, Lon Shelly (*), H. V. Archibald (*), Joe Pohrut (*), William Copeland, H. G. Keesling (*), Stanley Smith, Harry Barnes, A. C. Keesling (*), Mr. Abbott (*), William Woodberry (*), Lawrence Hendricks, L. L. Merril, Warner Raab, Mrs. Jessie McChemey, M. F. Hughes, J. C. Gordon and H. M. Shadle.

The two remaining charted members of a class of 126 are Mrs. Jessie Campbell and Mrs. Charlotte Sutter. They're still very active and faithful members and very seldom miss a meeting. All of the present Past Masters were asked to speak as were the charter members. They were touched at being honored and proud of being members of this great organization.

Joe McHannon addressed the grange with a few remarks honoring the Past Masters and charter members and this great organization. Mrs. McChamey read the very inspiring foreword of the book, "Orchard City Grange History" compiled by her and sponsored by the ladies of the Home Economics club which was organized 3 years ago and has done fine work within the Grange. This book includes the minutes of 37 years of Grange meetings and is in elaborate binding. It is surely a labor of love for the Grange by the most active grange member of our grange and the Pomona grange, Past Master Mrs. McMcChamey.

Harry Barnes, treasurer of the Orchard City Grange, Past Master and 18 years on the California State Grange legislative committee, told how he was introduced into the grange and how he enjoyed it. He also told how wonderfully the grange has grown in that time. There are at present over 40,000 members in the California State Grange.

The several officers' stations in the hall were decorated with beautiful and rare tulips and other flowers by our Flora, Mrs. W. Youngclaus. There were a number of visitors present with three from Sunnyvale, San Jose Master Abbott, Coyote Master Moss, Cupertino Master Shefford with sev-

Chairman Appoints Mrs. Lanphear, Mrs. Ballot As Volunteer Leaders To Collect Funds During April

Mrs. Ethan Lanphear and Mrs. E. F. Ballot, prominent Campbell volunteer leaders, will organize and aid other workers to obtain the $500 goal Cancer Drive in Campbell, announced Frank Accardi, general chairman. Both women, who worked so hard and successfully for the Red Cross recently, will go from door to door to solicit donations for the fight against cancer, the chairman said.

"Cancer strikes in one out of every two family groups," said Accardi. "In California alone last year more than 14,000 people died of cancer. It is up to us, the people in Campbell, to help raise the funds to continue the research work organized by the American Cancer Society to unlock the mystery of how cancer is caused, and how it can be erased as the nation's number two killer."

Although Mrs. Lanphear and Mrs. Ballot, together with the volunteer staff, will attempt to cover the homes in the Campbell area, they can not hope to reach every family, said Accardi. If they don't contact you at your home or business the chairman requests that you send your contribution to local cancer headquarters, Accardi's Appliance store, Campbell. Mail contributors will be given full credit for their donation.

"The success of the present drive in April will enable us to support other highly promising cancer research," said Accardi. "Cancer research grants amounting to $88,990 will be distributed to four California Universities and one independent medical foundation by the American Cancer society during the next 12 months."

Collection boxes have been placed in all of the merchant's stores in Campbell. "When you have change left from a purchase, drop a few pennies into the box, as every little bit helps," said the chairman.

"The goal in Campbell, $500, isn't too much to ask," Accardi pointed out. "If every one in our area sent in or gave the volunteer workers a small contribution we would more than go over the top in the cancer campaign."

The drive will continue in Campbell throughout the month of April. Anyone interested in helping the volunteer workers is asked to contact either of the volunteer women leaders or Accardi at his store.

"You're not just giving your money away to some campaign merely as a gesture," said Accardi. "This fight against cancer is your fight. The statistics prove that statement. Your donation today or tomorrow for he fight against cancer is a sort of security insurance policy for yourself. Cancer knows no limitations. You may be next or a member of your family. By donating to the cancer drive now, you'll be helping research scientists and doctors the country over to further investigate this dreaded disease and perhaps find the cause and cure."

All of the organizations and clubs in Campbell that meet only once a month are urged by the chairman to put the cancer fund need first on their agenda in April. They may either send the contributions into headquarters or delegate someone to bring them in as soon as the group votes or collects the money.

Children's Service Guild To Honor April 21 In Nurses Hall of Hospital

The Children's Service Guild will hold a tea Thursday, April 21, at 1:30 p.m., in the Nurses Hall at the Santa Clara County hospital to honor the Play Ladies who have donated their time for a year.

Those to be honored at the affair are Mesdames Vincent Gorman, Eugen Andres Jr., Clifford Christian, Lloyd Brown, John Hummel, Pierson Tuttle, and Luther Burbank. These women have been entertaining convalescent children at the County hospital at least an hour each week since April, 1948.

Since organizing in January the number of Play Ladies who go to the hospital regularly has increased to 36. Those who go from the Moorpark district include the Mesdames Clifford Christian, Mae Nankiwell, Vincent Gorman, Henri Zander, William Donahue, Pierson Tuttle, R. W. Peters, John Argall, Claude Chamberlain, William Peters, Eugen Andres Jr., Luther Burbank and Chris Gussman.

Campbell women who are members of the Play Ladies include Mesdames Llyod Brown, John Hummel, Ted Schenk and Robert Drexel. In addition there are 22 women who go to the hospital from San Jose, Menlo Park, Saratoga, Santa Clara and Los Altos.

The children always enjoy creating something, working with clay, coloring, pasting, making airplane models and scrap books. At the present time they are especially fond of listening to the new radios and the phonograph. The Play Ladies are guiding the older girls in sewing and knitting while the boys enjoy playing of games, such as Tiddyy Winks.

Some Play Ladies find time to do other things for the children. Mrs. Mae Nankiwell and Mrs. Josephine Stuart have made flannelette caps and booties to be worn by the babies while the Play Ladies take them out for airings. Mrs. Herman Owen also makes beautiful knitted caps for the babies. To make the children's meal time pleasanter Mrs. Earl Baum enjoys making tray favors. She has made them for Valentines' day, St. Patrick's day and Easter and is now busy creating May Day favors.

Anyone wishing to become a member of this organization is invited to the tea. It is not necessary for members to spend time at the hospital, but all who can are urged to do so, according to Mrs. Vincent Gorman, president. Members are requested to bring a cup, dessert plate and spoon to the tea, to be donated to the organization.

Present officers of the Children's Service Guild include: Mrs. Gorman, president; Mrs. Luther D. Burbank, vice-president; Mrs. Eugen C. Andres Jr., secretary; Mrs. Lloyd Brown, treasurer; Mrs. J. C. Hummel, volunteers chairman; Mrs. Charles W. Jones, special projects chairman; Mrs. R. W. Peters, hospitality chairman; Mrs. Clifford Christian, publicity chairman and Mrs. Mae Nankiwell, membership chairman.

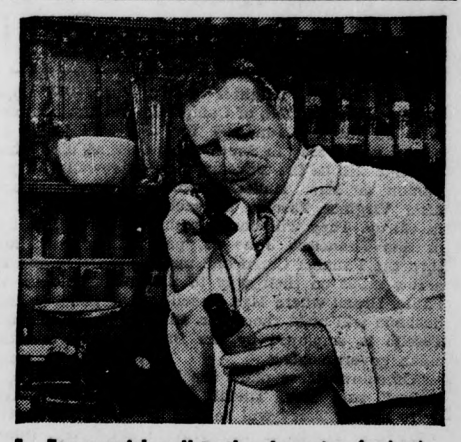
ONE OF TODAY'S BIGGEST BARGAINS

How your telephone gives you more real value today in spite of sharply-increased costs of furnishing service



1. For a quick call to the druggist, for business, for every purpose, your telephone is a more valuable servant today than ever. It can run more errands, do more jobs. In the past ten years, telephones on the Coast have doubled. We're continuing to add them rapidly. Result: You can get in touch with more people. More people can get in touch with you.

2. If you could see how much expensive equipment goes to work for you each time you make a call, you might wonder how it can be done . . . for just a few dollars a month. Lines, cables, poles, buildings, intricate equipment—all must be ready . . . along with the people who man them . . . to serve you when you pick up your telephone.

3. More "Voices with a Smile" are serving the West today . . . our payroll is the biggest ever. Postwar costs have shot up all along the line on the things we do to provide service. The facilities to serve new telephones today cost about twice as much as prewar. Yet telephone rates are up much less than almost anything we buy or you buy.

4. There is no way to determine the full value of a telephone, of course. A call may be routine—or it may save a life, make a new friend, close a business deal. Yet a few pennies still buy a telephone call. In these days of high prices, it's good to know that your telephone keeps giving you real value—it's one of today's biggest bargains.

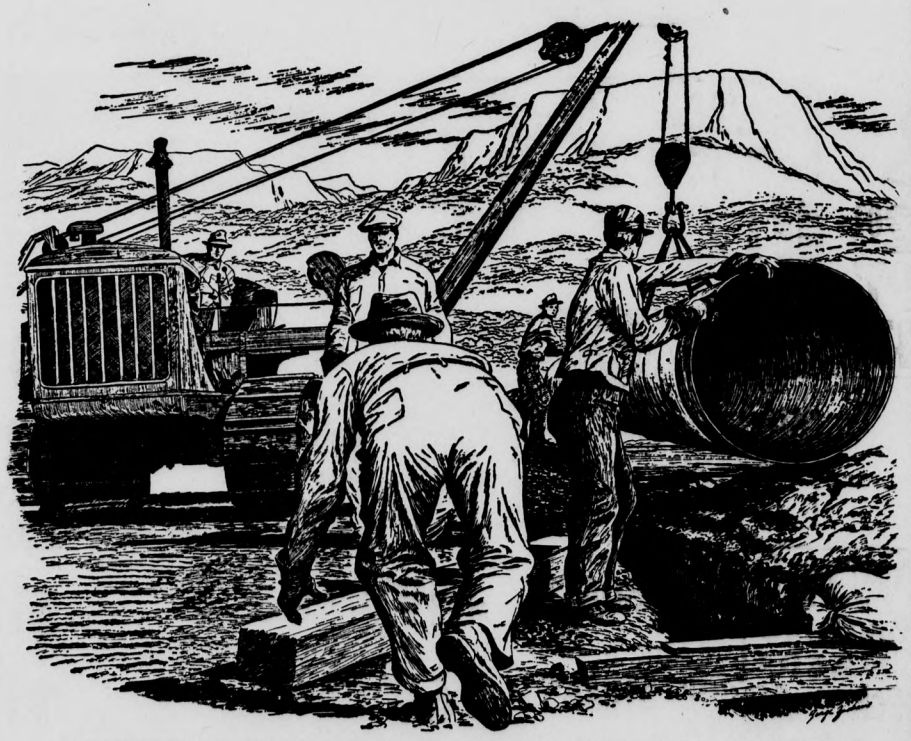
Your telephone gives you more service today than ever before

World's Biggest Pipeline will bring more natural gas to California



This Giant Gasway will bring a tremendous new supply of natural gas to California all the way from Texas and New Mexico. P. G. and E's. section of the 1600 mile project will be 506 miles long, 34 inches in diameter—the biggest high pressure gas line undertaken anywhere. Work starts this Spring. For months to come, men and machines will be trenching and laying pipe through desert and prairie, across mountains and rivers. First deliveries of 150,000,000 cubic feet a day are due Jan. 1,1951.

Power trenchers will sink sharp metal teeth into the earth along a route from Texas and New Mexico to Needles on the California-Arizona border...then on to the Bay Area for distribution.

More fuel for California homes and factories—the new line ultimately can deliver more than 400,000,000 cubic feet of gas a day. That's nearly equal to the present average customer demand.

FOR THE RECORD

Nearly 200,000 tons of steel will be used in the California section of the line.

The gas will be fed into P. G. and E.'s distribution network of nearly 11,000 miles of gas lines.

The grange building fund brought in $3.65 at the meeting. Three new applications have been received. Keep up the good work.

Here is the poem dedicated to our Past Masters:

All honor we bring to these
wonderful men,
Past Masters of our Grange,
Who have given their loyal service
To farm, and orchard and range.
They have been all things to us,
Guide, and mentor and friend;
Always ready with advice
And a helping hand to lend.
These men have given of their

For the cause they hold so dear,
Tow forward tenets of husbandry
And to make its objects clear.
Such men have brot the Mighty

DEATH NEVER TAKES A HOLIDAY
Don't let holiday "spirits" get you involved in an accident. Liquor and gasoline don't mix. If you drink, don't drive. Let someone who is *not* drinking drive you home. Remember, death *never* takes a holiday.

Pet Parade, Gala Pageant, Chip-In Booths, Folk Dancing To Highlight Day's Festivities

A carnival and town fair atmosphere will prevail in Saratoga this Saturday when the whole community turns out to take part in the third annual Blossom Time Chip-In Day festivities. Highlighting the day's program will be a children's parade, folk dancing, community picnic, historical pageant and carnival booths, chip-in sale booths and games. Sponsorod by the Saratoga Chamber of Commerce, the day's activities will begin with the children's parade at 10 a.m.

At Wildwood Park, from 11 a.m. to 2 p.m. there will be chip-in sales of home baked pies, cakes, cookies, hot dishes, hot dogs, soda pop, preserves, jams, jellies and many other donated items. Proceeds will be used for community improvements. All foods should be taken to the park between 8:30 a.m. and the opening of the sales on Saturday morning. Mrs. George W. Lanphear and her staff will receive and price the items. Other perishables may be left at The Barn any time before Saturday.

COMMUNITY PICNIC

A community picnic has been planned for noon at Wildwood. There will be tables for the picnickers, and those who do not take their lunches may purchase them at the park. Hot dogs, cold drinks and coffee will be sold at the refreshment stand.

Carnival booths will be operated in conjunction with the chip-in sales, and these will include pony ride, children's concessions, games, horoscope reading, bowling alley and bingo.

The afternoon program will be led off at 2 p.m. by an historical pageant "The Story of Saratoga," written and directed by Dr. John E. Cox, and to be presented on the park outdor dance pavillion. The pageant will be given in pantomine form, with Dr. Cox as narrator, and will include a background of recorded music.

This third annual Chip-In Day has received considerable attention from residents of surrounding communities and a large crowd of local and visiting spectators is expected to be on hand for the day of fun. Everyone is invited to view the parade, patronize the chip-in and carnival booths, join in the community picnic and enjoy the historical pageant and folk dance programs.

The bingo evening will be held Friday, May 6, at 8 p.m., in the Parish Hall. The public will be invited to attend, it was announced. It was also reported that the Guild has purchased two water fonts for the Church.

Lions Sponsor Big Easter Egg Hunt Tomorrow At One

All west side children up thru the sixth grade of school are invited to participate in the Big Lions Easter Egg Hunt Saturday, April 16 at the Burbank school grounds at 1:30 p.m. Invitations were extended to school children from Moorpark, Burbank, and Sunol districts.

The Beverly-Burbank Lions club is putting on the egg hunt for the school children. All who attend are urged to come in costume and compete for costume prizes. The Drum and Bugle corps of the Sunol school will entertain and lead the parade.

It is all right to have an open mind if it isn't open wide enough to permit everything to fly in.

Prep Drama Group Works Hard For May Production

Bellarmine College Preparatory school of Santa Clara under the sponsorship of the Air Force association's San Jose Squadron are in rehearsal for an early May presentation of the dynamic stage play "Command Decision."

The most ambitious play to date for the Mascula Dramatic group of Bellarmine, this is a taut, timely and continuously exciting story of an American bomber command based in England—and of the men who helped build America's great air force. It is a tense and explosive picture of men who often had to forget personal relationships and think of each other, not as human beings, but as mere cogs in a great machine.

Members of the San Jose Squadron have expressed a keen interest in aiding the director, Edward S. Romano and the cast of 18 to make this presentation as accurate as possible. Many of the Squadron were with the 8th Air Force, about whom the play is, and they are cooperating as technical advisors to assure the authenticity required.

Medals, insignia and uniforms are being loaned by the Squadron. Bernard Barrett, commander of the San Jose Squadron, said that these uniforms represent men who saw action in every air campaign of the last war.

"Command Decision" has an all-male cast, the parts being portrayed by Michael Slakey, Edward Brennan, William Romano, Jr., Duane Colossimo, Michael Martin, James Brown, Raymond Rath, John Kyle, Zane Byrd, Joseph Montgomery, Richard Risse, Walter Seebach, James Rankin, Gerald Terranova Jr., Vincent Tallericoo, John Arnold, Robert Miller and Lloyd Rogers.

To Stevens Creek

Taking advantage of the spring weather Troop 31 of the Campbell Congregational church made a "cycle hike" last Saturday to the Scout camp at Stevens Creek.

Purpose of the trip was to prepare for the coming Scout Hikeoree to be held at Stuart Scout Ranch April 23. In addition to getting some good cooking practice, the troop also made some plaster tracks of some animals found up at the park.

Participating in the day's hike were Scouts Gerald Gilliam, Leroy Gilliam, Darrell Martin, Bob Dalzell, Ed Merrill, Leon Madden, Dave Roberts, Bill Lawson, Myrale Martin, Charles Cox, Rodger Shafle and Scoutmaster Larry Cowper.

On the agenda for the Scouts this month are a district hikeoree and a dance to be held in the Scout hall.
